WELCOME TO YOUR PARK & RIDE BUS SERVICE AVAILABLE FROM MONDAY TO SATURDAY EACH WEEK

The service is operated by Lincoln Business Improvement Group (Lincoln BIG) in partnership with Stagecoach East Midlands and Waitrose with the support of the City of Lincoln Council and Lincolnshire County Council.

The service uses a combination of dedicated vehicles alongside existing local bus services to provide a bus up to every 15 minutes to and from Lincoln city centre. Services early and late in the day and at peak times may vary, please see the timetable for details.

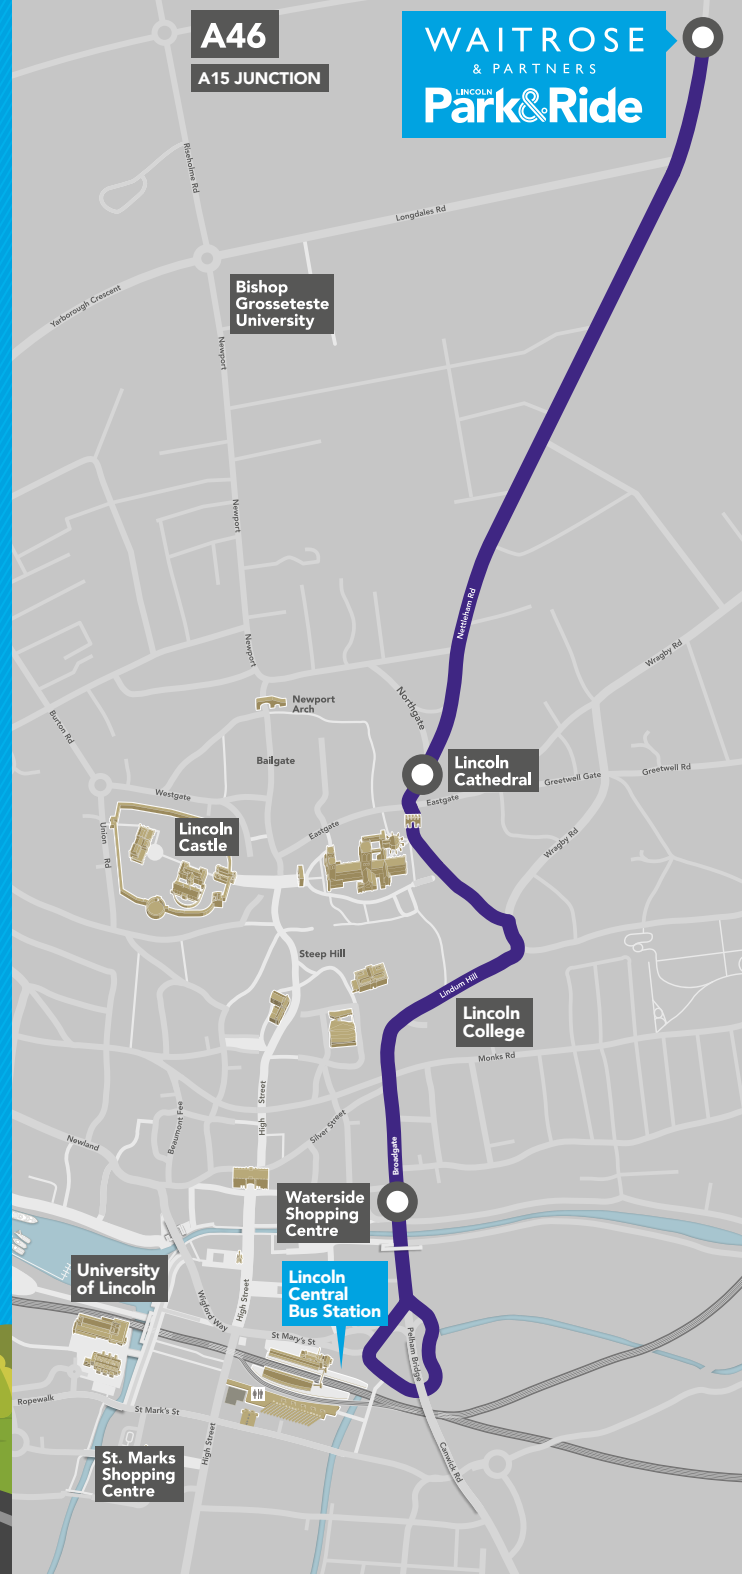

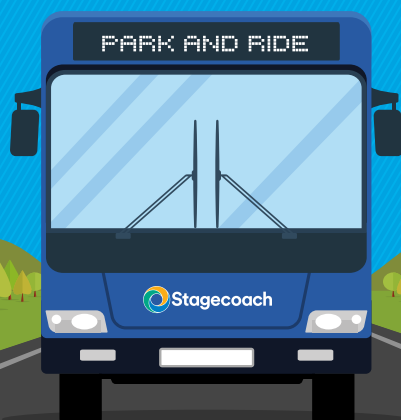

Please inform the driver when you board if you require the Cathedral bus stop.

ADULT DAILY RETURN £2.80

FREE PARKING

JOURNEY TAKES APPROXIMATELY 15 MINUTES

All buses will clearly state **Park & Ride** on the screen when they arrive. Price and bus times correct at time of print.

A SAFE & CONVENIENT SERVICE

The fare is payable on the bus. Accompanied children travel free; unaccompanied children will be charged the normal child fare.

Local people are able to use the service to and from Lincoln Waitrose, the city centre and Cathedral Quarter for the same fare. **You don't have to park to use the service!**

If you work in the city centre and use the service regularly, ask about our commuter season ticket including unlimited use of all Stagecoach bus services in the Lincoln area at all times.

The bus route will also offer a time advantage over car travel as buses are able to take a shortcut near Lincoln Cathedral via Pottergate which is a one way street to buses only.

Concessionary bus pass holders travel for free after 9.30am on weekdays.

Contactless Payment Available
